1. An application for an amendment that is more significant in scale and scope than a minor zoning amendment, and which may have greater impact beyond the subject lands, as determined by the Director of Planning or designate. Major applications must meet one or more of the following conditions:

- applications relating to more than one property
- a site specific application, if considered to represent a large scale redevelopment
- any change in use and/or zone category, except as identified under a minor amendment
- an application involving significant changes to the development standards or general provisions of the by-law

2. An application for minor or small scale zoning amendment having no significant impact on adjoining lands, as determined by the Director of Planning or designate. Minor applications must be site specific and meet one or more of the following conditions:

- request for additional permitted use, within an existing building with no significant impact on existing development standards
- changes in development standards or zone to accommodate a residential severance to create one additional lot
- application for Temporary Use

<p>3. An application that is more significant in scale and scope than a minor amendment and which may have greater impact or policy implications beyond the subject lands, as determined by the Director of Planning or designate. Major applications must meet one or more of the following conditions:</p> <ul style="list-style-type: none"> <li>- applications relating to more than one property</li> <li>- a site specific application if considered to represent large scale redevelopment or significant change to the designations and permitted uses</li> <li>- an application involving significant changes to the policies of the Official Plan</li> </ul> <p>4. An application for a minor, site specific and small scale amendment or exception to Official Plan policies and designations, having limited impact or policy implications beyond the subject lands, as determined by the Director of Planning or designate.</p> <p>5. An application to amend a Neighbourhood Development Guideline when the development proposal would necessitate an amendment to the Guideline or there is no other planning application being processed by Council.</p> <p>6. To reactivate planning applications that have been inactive over 2 years. If the file has been inactive longer than 5 years, the current applicable fees will be required.</p> <p>7. Charged only if no other planning applications are being processed by Council.</p> <p>8. The applicant is responsible for the City's full costs of undertaking the peer review of any studies or drawings submitted in support of the application. This requirement applies to matters such as, but not limited to, the peer review of traffic, marketing, environmental, noise, engineering drawings and reports, and architectural drawings.</p> <p>9. A major Minister's Zoning Order application is where the proposed use or standards do not comply with the City's zoning by-law and a Report to Council is required.</p> <p>10. A minor Minister's Zoning Order application is where the proposed use or standards comply with the City's zoning by-law.</p>
