

Whereas, Sentence 9.14.6.1 of Ontario Regulation 413/90, made under the authority of the Building Code Act, requires that the building shall be located and the building site graded so that water will not accumulate at or near the building and will not adversely affect adjacent properties.

I, \_\_\_\_\_ hereby certify that I have conducted a field review of the site and find it to be in compliance with the approved Site Grading Plan submitted and reviewed by the City of Pickering, Engineering Services Department.
