

Notice of Construction

Breezy Drive / Sunrise Avenue
Storm Sewer Outfall Reconstruction
Tender No. T2022-12

Engineering Services Department

January 20, 2023

Anticipated start date: January 23, 2023

Anticipated completion date: May 2, 2023

The City of Pickering's contractor, Mianco Group Inc. (Tender No. T2022-12) will be undertaking reconstruction of the Breezy Drive/Sunrise Avenue Storm Sewer Outfall; designed and to be administrated by the City's engineering consultant Aquafor Beech Ltd. This project includes complete storm sewer and associated outfall removal, supply and installation of new storm sewer with oil grit separator, manholes, catch basins, outfall structure, armour stone retaining wall, engineered wetland system, a temporary access gate for Frenchman's Bay Yacht Club and final site restoration all within the subject area delineated on the location map.

The project is expected to have minor disruption to pedestrians and motorists. Access for emergency vehicles will be maintained at all times.

Work will take place Monday to Friday between 7:00 am and 7:00 pm, with work after hours and on Saturdays, only as required.

We look forward to working with you to complete this project in a professional and timely manner. Thank you in advance for your cooperation and patience.
