

Employment Opportunity

The City of Pickering is committed to creating an equitable, diverse and inclusive workplace and strives to foster a sense of belonging, empowerment and respect among all employees and community members. We recognize and value that diverse perspectives, skills, backgrounds, and lived experiences contribute to the growth and strength of our organization and community. As such, we welcome and encourage applications from Indigenous Peoples and equity-deserving communities including women, persons with disabilities, racialized persons, persons who identify as 2SLGBTQI+, and other diverse communities.

MECHANIC, MUNICIPAL GARAGE

The incumbent inspects and performs mechanical repair and certification of the Corporation's fleet of vehicles, equipment and machinery including fire vehicles and equipment, heavy vehicles and equipment, small engines, light duty vehicles and equipment to ensure efficiency and quality service. The incumbent also performs stand-by during off-duty hours according to a rotating schedule.

Successful applicants will possess the following:

- Successful completion of Secondary School education or any combination of education, job-related training and work experience deemed to be acceptable by the Corporation.
- Certified Truck and Coach 310T Mechanics Licence issued by the Province of Ontario and Ozone Depletion Certificate (including a combination of 6,720 hours of school time and training).
- Certified Automotive 310S Mechanics Licence issued by the Province of Ontario (including a combination of 7,220 hours of school time and training).
- Ozone depletion certification (ODP) is required.
- Forklift certification is an asset.
- Three years' experience as a vehicle mechanic, to include experience utilizing computerized system diagnostics to identify and repair computerized engine issues.
- Experience with welding techniques and fabrication is required.
- Experience working on fire trucks including working with high pressure water pumps, aerial ladders, and foam suppression systems as well as Emergency Vehicle Certification (EVT) is considered an asset.
- Required to maintain a current level of technical competency and skill with changing technology and equipment.
- Demonstrated working mechanical knowledge, including diagnosis and repair, of heavy and light equipment and vehicles and Hybrid vehicles.
- Must be medically and physically fit to perform the duties of the position.
- Demonstrated proficiency in the use of personal computers and Windows based computer applications
- Must be able to work in a team environment, as well as carry out duties and responsibilities independently under own initiative.
- Must be prepared to undergo a Criminal Reference Check as a condition of employment.

Compensation includes a comprehensive benefits package, pension plan and a salary ranging from \$37.40/hr. to \$41.55/hr. based on a 40 hour work week.

Qualified candidates may complete an [online application form](#) or submit a detailed resume and cover letter by no later than 11:59 pm (Eastern Standard Time) on **Thursday, July 28, 2022** to:
