Basic Requirements

Applications shall include the applicable licence fee and the following documentation:

- i. current valid photo identification
- ii. private property security contractor confirmation of employment, or
- iii. letter from condominium corporation or property owner/management confirming authorization to enforce parking regulations on their property.

Receipt of an application and a licence fee by the City shall not represent approval of the application nor shall it obligate the City to issue a licence.

Disqualifications

A licensing officer shall refuse to issue a licence if:

- a. the applicant has submitted false information in support of the application, or
- b. the applicant fails to successfully complete any testing, training, educational or awareness program required by the City.

Conditions to Remain Licenced

Upon approval of their licensing application, each private property parking enforcement officer must:

1. Attend and successfully complete the training and testing program prescribed by the City Clerk.
2. Attend the Clerk's Office to have a photographic identification card prepared and carry at all times while performing the duties of a private property parking enforcement Officer.
3. Attend court for all tickets issued by the officer that have opted to go to trial.
4. Remain employed by a Private Property Security Contractor that is registered with the City to enforce parking by-laws on private property in the City of Pickering.

I have read the above information and shall comply with the licensing requirements.
