

Banner Layout Template

Final size: 24 x 62"

Size with bleeds:
24.5 x 62.5" (please include a 0.25" bleed all around)

Artwork must fit banner dimensions of 24" wide and 62" high; be printed on both sides of the banner; be colourful, as light or pale colours tend to fade more; and should be bold and visible from a distance. High resolution PDF, Adobe Illustrator .ai files, or .eps files are required for production.

Final Banner production must take into consideration the following elements; Banner Size must be 24" x 62" printed on vinyl material, 3" loop hem top/bottom double stitches, 2 Gromit, top/bottom, webbing in hoops, and no stitches on sides.
