

## The Nautical Village

The Nautical Village is part of the Waterfront Trail in Pickering. This picturesque popular tourist destination by Lake Ontario and Frenchman's Bay features summer activities such as free musical entertainment at Millennium Square on Thursday evenings, a playground and water feature for children, a great boardwalk along the waterfront, dragon boats, sailing, as well as year round cafes, restaurants, shops and an art gallery featuring original art by Durham artists. Check our websites for details on Movie Night.

On weekends between May and September visual and performing artists are featured at the SilverStone Gallery's "Sunday on the Porch" series. The art gallery is open weekends and holiday Mondays.

**NEW** ~ Seasonal berry festivals will be offered at the eateries in June, July and August.
