Recognizing Greatness in our community

The Ministry of Citizenship and Immigration gives Ontario municipalities the opportunity to recognize one 65+ resident annually for contributions they have made to their community.

These awards were established in 1994, and are an opportunity for municipalities to honour outstanding contributions made by senior residents.

The City of Pickering requests community residents to nominate someone deserving, and selects one nomination to be the recipient of this annual award.

The Award Recipient will be invited to a recognition ceremony in June, as part of the City's Seniors Month Celebration.
