## Assistant Counsellor Program 14 - 16 yrs

Learn what it is like to work in a Summer Camp. This program is geared towards teens who are interested in developing leadership, communication, and program planning skills. Participants will receive a letter with their total hours volunteered that can be used towards the community service requirements for high school graduation.

Participants choose their volunteer weeks and will receive a letter in the mail (after training) advising of the camp location(s) that they have been assigned to for their registered volunteer weeks. During training participants will be able to submit their camp preferences, however participants are not guaranteed to receive their top choice each week.

Participants must attend both training dates in order to volunteer in the camp setting. A minimum of 4 weeks of volunteering is required for successful completion of this program.
