

# Social Distancing at Home for Teens

Here are a few activities to help teens stay busy during isolation.

1. Teach your pet a new trick
2. Draw a portrait of a family member or pet
3. Outdoor gardening
4. Read in the backyard
5. Bake
6. Learn how to cook something new
7. Video call a friend or family member
8. Go on a hike or walk
9. Learn a new language
10. Complete home workout
11. Decorate or organize your bedroom
12. Build your Resume

Pickering teens, tag #StayHomeMakeMemories and show us how you are social distancing at home!
