

PAC4Teens Meeting
Tuesday, Jan 31st, 2023
4:15 pm
Franklin Room, GALCC

Attendees: Adrianna A, Amna K, Daniel S, Jasmine K, Jessenia K, Nate B, Chelsea R, Xan K, Lyra T, Andrea P.

Regrets: Kobi H, Ovi S, Gabriel S, Carlos S., Hailey N. Arya A.

Item/ Ref #	Details, Discussion & Conclusion (summary of discussion)	Action Items/Status (include a deadline as appropriate)
1.	Welcome & Minutes Review	
	Minutes were recapped from the previous meeting, with no pressing updates.	No follow up required
2.	Admin Updates	
	We have our New Treasurer and Secretary! Please welcome Jessenia and Adrianna to their roles!	Please forward any future meeting notes to Adrianna Lyra to supply a Template going forward
3.	Start of the Year Catch up	
	Currently, there are no dramatic school changes that would affect the meeting times for PAC. Future exam periods will be flagged with Lyra and Andrea to avoid scheduling meetings during those times. Upcoming volunteer opportunities are seniors' snow removal.	Please provide Exam period dates when available or particularly busy school periods.
4.	Seniors Snow Removal	
	Teens shovel snow for seniors in need. Teens will be matched with local seniors. Currently, there are only 5 youths on the list. To increase participation members have recommended printing physical materials and having them posted at the high school guidance office.	Teens will contact Andrea if interested in volunteering via email. Members will try to promote programs around the school.

Item/ Ref #	Details, Discussion & Conclusion (summary of discussion)	Action Items/Status (include a deadline as appropriate)
		Andrea will provide physical materials to post in the guidance office.
5.	New Free Teen/ Youth Programs:	
	GALCC is now host to Improv nights on Thursdays and has been seeing good results. Looking to implement more new programs (discussed later)	No follow up required
6.	Further TAG Team Ups/ Successful Youth Programs	
	<p>Recently TAG conducted a Yoga night that needs to be canceled due to low turnout. This is in stark contrast to the very successful Paint night.</p> <p>Members noted that Yoga expects skill entering, whereas Paint has a wide skill range. It was also nicer to leave with a physical object. The timing was also important to provide gifts.</p> <p>Future Ideas Included:</p> <ul style="list-style-type: none"> - Family nights, intro to gym night, crocheting workshop (trendy), and 3D printer night with the library. 	Lyra and Andrea will look into the feasibility on the city side. Pac committees will have been assigned tasks to look for trends in their social media feeds, and among friends and peers to flag potential programs early (for youth programs as well)
	Promoting and Outreach	
	<p>Fundraising endeavors can be combined with outreach. Instead of one large banquet dinner, could we sell lunches in the school at our Free Teen and Pac outreach tables?</p> <p>-Seems feasible, and less of a gamble in the long run in terms of turnout.</p> <p>Also can be held as a more ongoing charity push than a small individual group.</p> <p>Need to contact and gain permission through schools, has worked well in the past however according to other members.</p>	<p>Lyra and Andrea to look into Pickering's ability to perform this.</p> <p>PAC to brainstorm other opportunities and find out how this was performed with other outreach groups.</p>
	Committee Assignments	

Item/ Ref #	Details, Discussion & Conclusion (summary of discussion)	Action Items/Status (include a deadline as appropriate)
	<p>Social Media Committee: Monitor and look for trends that could be used for promotion or outreach. Help keep our social media trendy and up to date. If any trends are noticed reach out to Andrea P.</p> <p>Tech Committee: Please look for trending games and consoles, so that new tech can be purchased. Currently looking at new consoles for the youth rooms</p> <p>Program Committee: Please look for trending activities. Badminton and Volleyball have recently blown up, in part due to social media trends. The earlier the programming team is made aware of these trends, the quicker we can capitalize on them and implement programs to induce them.</p>	
	Next meeting Feb 21st at 4:15 pm.	

Meeting Adjourned: 5:15 pm
