

All submissions must include a completed application form and a sketch. Applications that are incomplete will not be processed until all required materials have been received.

To obtain the City of Pickering Driveway Apron Widening fees view the [Driveway Access Application Fees and Information Price List](#). All fees are to be made payable to the City of Pickering upon submission of the application.

Sketch Requirements

Submitted sketches are to include the following: (refer to example)

- boundaries and dimensions of the subject property
- property frontage dimensions
- existing driveway apron and driveway dimensions
- proposed works, complete with dimensions
- right-of-way features (i.e., trees, utility equipment, fire hydrants, catchbasins, fences, hydro poles etc.)
- dimensions of proposed existing driveway apron to all existing right-of-way features as noted above

If you have any questions, please do not hesitate to contact the City Infrastructure Department at cityinfra@pickering.ca.
