Camp Details

The camp day runs from 9:00 am - 4:00 pm (daily).

Location: Eastshore Community Center (910 Liverpool Rd, Pickering, ON L1W 1S6), through the front doors.

The Camp will be located in the Community Room (Signage will be posted in the area for guidance).

Meet Your Camp Director

Hi, my name is Meghan Down! I'm entering my third year at York University, where I am studying Education. I absolutely love anything related to fitness, and I have always been passionate about working with children. For the past four years, I have worked with the City of Pickering, teaching dance and gymnastics programs and working various camps. Looking forward to a great week together!

Camper Pick-Up/Drop-Off Procedures

Dance & Drama Camp will take place at the Eastshore Community Center, Main Doors. For the safety of all campers, please drop off and pick up your child at Eastshore Community Center and ensure they are checked in and out with the designated Pick-up/Drop-off counsellor each day.

For safety reasons, any alternate pick-up person you designate will be required to show photo ID to camp staff before your child is released into their care. Please make sure they are aware of this protocol and that your child is picked up on time.

Absenteeism / Safe Arrivals

If you know in advance that your child will be absent or late, please send a note with the camper's name and the date they will be away. You can also email me at mdown@pickering.ca or camps@pickering.ca. If you would rather leave a voicemail, please call 905.420.4660 ext. 3246.

If a camper is absent without prior notification, we will attempt to contact the parents/guardians.

What To Expect

Get ready for the spotlight! Campers will dive into a world of dance and drama, where they can explore their creative sides and bring their inner performer to life. They'll stay active through exciting games and engaging activities, all led by our passionate camp staff. Dance/Drama Camp features a variety of workshops, fun-filled games, outdoor play, arts and crafts, and more!! Get ready for an unforgettable workshop packed with high-energy moves, fun vibes, and a chance to learn from the best. Let's dance, laugh, and level up together! The week will culminate in a special performance, where campers can showcase their talents to family and friends.

What to Bring to Camp

- **Clothing:** Campers should wear comfortable clothes suitable for activities. Please do not send valuables, as campers are responsible for their own belongings. Remember to label all items (e.g., lunch bags, extra clothes, coats) to help prevent mix-ups. Indoor shoes (running shoes are recommended) are also required.
- Campers may be outside during the camp day so please pack appropriate clothing for outside play.
- **Lunch and Snacks:** Campers must bring a nut-free lunch each day. Please pack lunch in non-breakable containers (no glass). Campers will have two snack breaks and lunchtime, so extra snacks are encouraged.
- **Water Bottle:** Please pack a reusable water bottle. There are water fill stations available at camp to keep your child hydrated throughout the day, as they may be outside.

Allergy Notice:

Please be sensitive to any food allergies that may be brought to your attention (i.e. tree nut allergies that can be life threatening). For this reason, please do not pack tree nuts, tree nut products, or any products containing traces of nuts in your child's lunch for camp. If staff are unsure of snacks (i.e. granola bars), Campers will be asked not to eat them at camp. Fruit is always a healthy and allergy safe snack! Please feel free to send a copy of the ingredients of any items we may be unsure of (i.e. cookies). Your cooperation is greatly appreciated.

Wristbands

On the first day of camp, each camper will receive a wristband in their camp's designated color. Please help ensure your camper wears their wristband throughout the week. If the wristband is lost or damaged, a replacement will be provided the following day at camp.

Water Day

We will aim to have a water day On Tuesday, August 19, if the weather permits. On these days, please send your child to camp with their bathing suit, an extra set of clothes, a towel as well as a plastic bag for their wet bathing suit. Also, please send a hat and apply sunscreen to your child. For campers who choose not to participate in water day, we will have a variety of different activities to engage in.

Special Guest Information

On Wednesday, August 20, Dance and Drama is thrilled to welcome a special guest from *Scientist in the School!* This amazing non-profit organization is dedicated to sparking curiosity and inspiring young minds through hands-on science education. Campers will have the exciting opportunity to become junior scientists for the day as they dive into a variety of interactive experiments and activities. From bubbling concoctions to mind-bending discoveries, each experiment is designed to engage, educate, and entertain. It's the perfect blend of science and creativity.

Dance Camp 2025 Summer Showcase

Please accept this invitation to our Dance Camp Showcase. On Friday, August 22, for the last day of camp, our campers are prepared to show you all the dancing skills and routines they have learned through their original dances! The show will start at 3:00 pm (sharp) at Eastshore Community Center (Community Room). Please sign the City of Pickering Photo/Model Release Form, which will be sent home on the first day of camp and please return it to the director by the second day of camp. Returning this form completed will allow you to videotape your child's performance as they shine like a star. Our campers work very hard and would love to have these memories last a lifetime!
