

Notice of Temporary Road Closure

Temporary Road Closure on Plummer Street

Purpose: Westmore Poleline & Electric Inc. have been contracted by Elexicon Energy to complete the installation of new underground ductwork. The road closure is in effect as open cut trench methodology will be used to install the new utility infrastructure

Duration: Monday, March 24 to Friday, April 4, 2025 work will take place between the hours of 7:30 am to 7:00 pm, however the road will remain closed after work hours and for the duration of installation

Plummer Street will remain accessible through Salk Road for Emergency Services and local traffic. Driveways for businesses will not be affected by the road closure.
