

Notice of Disruption George Ashe Library and Community Centre

Service Disruption at George Ashe Library and Community Centre

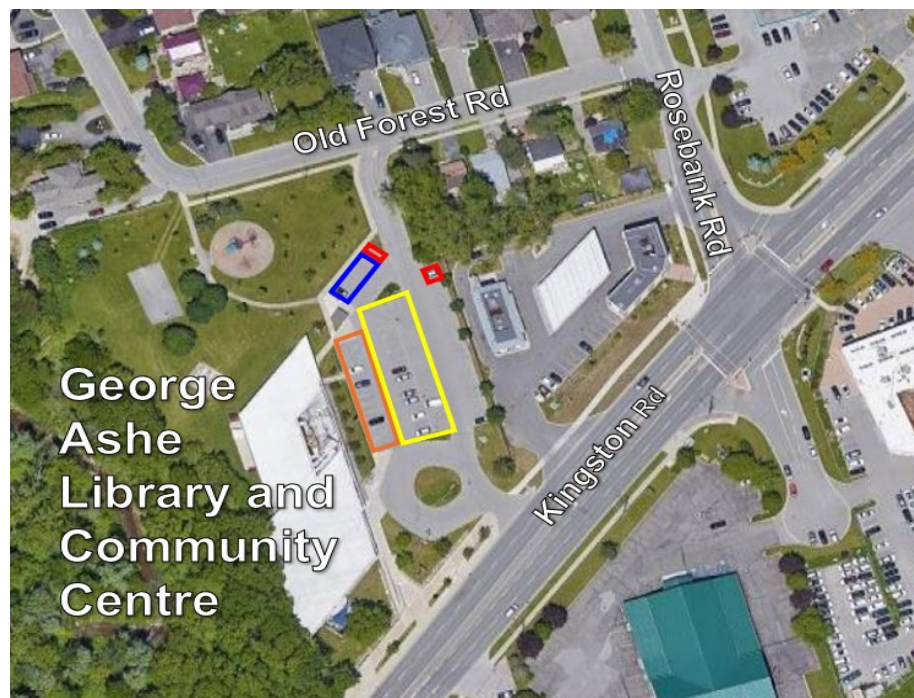

Purpose: Roof Top HVAC Installation at George Ashe Community Centre

Duration: Monday, July 7 to Friday, July 18, 2025

Heating, Ventilating and Air Conditioning (HVAC) units are being replaced at George Ashe Community Centre with the use of cranes. The Youth Centre will be closed for the duration of the project, and there will be air conditioning impacts to the Paris and Franklin Rooms within the community centre.

There will be localized closures to the parking lot for craning as follows:

- For two days, the orange area will be blocked off from approximately 7:00 am to 3:00 pm and the yellow area will be blocked off from 7:00 am to 12:00 pm.
- The red area will be blocked off for construction storage for the duration of the project.
- Accessible parking will be moved temporarily to the blue area for the duration of the project.

Temporary cooling/ventilation will be provided for the Paris and Franklin Rooms during this time.

Installation is expected to be complete by Friday, July 18, 2025, subject to suitable weather.

For information on recreation programming, please contact:

Amanda Rose
Supervisor, Recreation Services
Community Services Department
Work: 905.420.4660 ext. 2080
Email: arose@pickering.ca
