

Temporary Road Closure between 891 and 901 Antonio Street

Purpose: Elexicon Energy will be doing hydro pole replacements

Duration: Tuesday, November 11, 2025, from 8:00 am until 3:00 pm (weather permitting)

Elexicon Energy will be doing hydro pole replacements between 891 and 901 Antonio Street. This road closure is required for the placement of cranes with outriggers which will take up both lanes. There will be no through traffic permitted during this time. The installation is scheduled for Tuesday, November 11, 2025, however this may change due to weather conditions.
