3. An application for an amendment that is more significant in scale and scope than a minor zoning amendment, and which may have greater impact beyond the subject lands, as determined by the Director, City Development or designate. Major applications must meet one or more of the following conditions:
 - an application relating to more than one property
 - a site specific application, if considered to represent a large scale redevelopment
 - any change in use and/or zone category, except as identified under a minor amendment
 - an application involving significant changes to the development standards or general provisions of the by-law
 - an application which requires major technical studies and extensive consultation
4. Applies to blocks intended to be developed for commercial, industrial, and institutional uses (including school blocks).
5. Excludes lands to be conveyed for roads, parkland, natural hazards, and stormwater or other public infrastructure.
6. An application for minor or small scale zoning amendment having no significant impact on adjoining lands, as determined by the Director, City Development or designate. Minor applications must be site specific and meet one or more of the following conditions:
 - request for additional permitted use, within an existing building with no significant impact on existing development standards
 - changes in development standards or zone to accommodate a residential severance to create one additional lot
 - application for Temporary Use
7. Application fees include two resubmissions before re-circulation fees apply. Recirculation fees will be charged for the fourth submission and every submission thereafter.
8. A major Minister's Zoning Order application is where the proposed use or standards do not comply with the City's zoning by-law and a Report to Council is required.
9. A minor Minister's Zoning Order application is where the proposed use or standards comply with the City's zoning by-law.
10. An application that is more significant in scale and scope than a minor amendment and which may have greater impact or policy implications beyond the subject lands, as determined by the Director, City Development or designate. Major applications must meet one or more of the following conditions:
 - an application which requires major technical studies and extensive consultation
 - an application relating to more than one property

- a site specific application if considered to represent large scale redevelopment or significant change to the designations and permitted uses
 - an application involving significant changes to the policies of the Official Plan
11. An application for a minor, site specific and small scale amendment or exception to Official Plan policies and designations, having limited impact or policy implications beyond the subject lands, as determined by the Director, City Development or designate.
 12. Zoning review and comments are not included in the Site Plan Application Fee. Preliminary Zoning Review must be paid separately.
 13. Minor revisions to approved Site Plans include, but are not limited to:
 - accessory structures
