Meet Your Camp Director

Hello, my name is Jake (or Mr. Beast) and I am the director for the Eco Adventure Camp located at the George Ashe Public Library running all 9 weeks. This camp will have fun trips off site or special guests visiting. As well as daily planned activities that involve out regional geography to connect fun with our community and its environment.

This is my sixth summer working with summer camps, but I was a camper myself from ages 5-13. There's nothing I want more than to ensure that my camp is both fun and inclusive all while being inclusive to all children. I am currently entering Teachers College at Brock University after recently completing my Bachelors of Arts in Integrated Studies. I also have experience in professional setting as I have been teaching for two years now in the Niagara Region as an Occasional Teacher.

I look forward to meeting you all and making this a summer to remember!

Camper Pick-Up/Drop-Off Procedures

Adventure Camp will be held at George Ashe Library and Community Center, in the Helen Paris/ Russell Franklin Rooms. For the safety of all campers, please drop off and pick up your child in the gymnasium. Be sure to check your child in and out with the designated Pick-up/Drop-off counsellor.

For safety reasons, any alternate pick-up person you designate will be required to show photo ID to camp staff before your child is released into their care. Please make sure they are aware of this protocol and that your child is picked up on time.

Absenteeism / Safe Arrivals

If you know in advance that your child will be absent or late, please email us at jbabin@pickering.ca or camps@pickering.ca. If you would rather leave a voicemail, please call 905.420.4660 ext. 3246.

If a camper is absent without prior notification, we will attempt to contact the parents/guardians.

What To Expect

Eco - Adventure Camp is an exciting week of outdoor fun and learning! Campers will enjoy nature-themed arts and crafts, team-building activities, and explore the outdoors while discovering new skills. They'll learn basic survival techniques, practice archery, and work together to tackle fun challenges. Led by our enthusiastic staff, this camp is the perfect way for kids to build confidence, make new friends, and enjoy a week of adventure in nature!

What to Bring to Camp

- **Clothing:** Campers should wear comfortable clothes suitable for activities. Please do not send valuables, as campers are responsible for their own belongings. Remember to label all items (e.g., lunch bags, extra clothes, coats) to help prevent mix-ups. Indoor shoes (running shoes are recommended) are also required.
- Campers will be going outside for many adventures so please ensure to pack appropriate clothing for outside play (hats, mitts, jackets, snow pants).
- **Lunch and Snacks:** Campers must bring a nut-free lunch each day. Please pack lunch in non-breakable containers (no glass). Campers will have two snack breaks and lunchtime, so extra snacks are encouraged.

Allergy Notice:

Please be sensitive to any food allergies that may be brought to your attention (i.e. tree nut allergies that can be life threatening). For this reason, please do not pack tree nuts, tree nut products, or any products containing traces of nuts in your child's lunch for camp. If staff are unsure of snacks (i.e. granola bars), Campers will be asked not to eat them at camp. Fruit is always a healthy and allergy safe snack! Please feel free to send a copy of the ingredients of any items we may be unsure of (i.e. cookies). Your cooperation is greatly appreciated.

- **Water Bottle:** Please pack a reusable water bottle. There are water fill stations available at camp to keep your child hydrated throughout the day, as they may be outside.

Special Guest Information

On Friday, August 15, Eco – Adventure will be taking an off-site trip to the Rouge Valley (1088-1090 Rouge Valley Dr, Pickering, ON L1V 5R7) for a day of outdoor exploration from 10:00 am. to 1:00 pm. Please arrive on time, as late arrivals will need to be transported to the park by a parent or guardian. Campers will have the opportunity to either go creek walking or hiking.

Campers interested in creek walking must bring an extra pair of old, closed-toe running shoes—rubber boots and sandals are not permitted. They'll also need a change of clothes or a bathing suit. Please note that creek walking is weather dependent and may be cancelled if water conditions are unsafe.

Campers planning to hike should bring comfortable running shoes. All campers should come prepared with plenty of water, peanut-free snacks, a hat, sunscreen, bug spray, and appropriate outdoor attire. In the event of rain, the camp will run indoors at George Ashe Library and Community Center as usual. The bus will be leaving the campsite at 9:30 am, please ensure you are arriving to camp on time. In the event that the bus is missed; parents and guardians will be responsible for dropping their campers off at the trip site.

Wristbands

On the first day of camp, each camper will receive a wristband in their camp's designated color. Please help ensure your camper wears their wristband throughout the week. If the wristband is lost or damaged, a replacement will be provided the following day at camp. For those who choose not to participate in our water days, will have the opportunity to engage in a variety of different indoor and outdoor activities with staff.
