Group Fitness Class Descriptions

<p>Barre & Balance: This class incorporates the disciplines of yoga, Pilates and ballet to perform a variety of strength and balance exercises to increase range of motion, mobility and confidence.</p>
<p>Barre Sculpt: Combining attributes of Pilates, barre, and functional training while using small movements to fatigue the muscles and larger movements to elevate the heart rate. Uses a variety of equipment resulting in a total body workout.</p>
<p>Cardio Dance Fit: Experience the joy of movement with a fun, energizing cardio workout inspired by global dance styles! This class features simplified choreography and offers both no-impact and low-impact options, making it accessible for everyone. Explore rhythms from merengue, flamenco, reggaeton, bachata, and more.</p>
<p>Cardio Kick Fusion: This high-energy workout will have you kicking and punching your way to better health and improved confidence. Infused by elements of kickboxing, sports conditioning and rhythmic movement, this cardio-based class will have you kick all your tension good-bye!</p>
<p>Chair Fit: Help improve your strength and mobility in this full body all-seated fitness class using hand weights, weighted balls, resistance bands and bender balls. Also, with a focus on posture, core stabilization and strengthening.</p>
<p>Chair Yoga: This is a unique yoga style that adapts yoga positions and poses through creative use of a chair. Poses are done seated on the chair or the chair is used for support during standing and balance poses.</p>
<p>Circuit Training: Boost your strength, endurance, and overall fitness with this balanced, full-body circuit class. You'll move through a dynamic mix of cardio, strength, and functional exercises designed to challenge you and keep your heart rate up.</p>
<p>Circuit Training Burn: This is a demanding, high-intensity circuit class that fuses cardio and strength with minimal rest. Elevate your heart rate, push endurance, and torch calories while building functional strength.</p>
<p>Cycle Fit 55+: Stay active and energized with a low-impact cardio ride designed just for older adults. This class uses varying speeds and resistance levels to keep things fun and engaging, while being gentle on the joints. Every ride is a little different, helping you build endurance, improve heart health, and stay strong.</p>
<p>Cycle Fit: A dynamic indoor cycling class combining varying speeds, resistance levels, and riding techniques to simulate different terrains and intensities. Build endurance, burn calories, and strengthen your lower body, all while enjoying motivating music and instructor-led guidance to push you through every challenge.</p>
<p>Cycle Pump: Cycle Fit and Pump It Up all in one! Improve your cardio on the bike while also building strength and core doing off-bike muscle conditioning. Challenge your fitness level with this high energy, calorie-burning class.</p>
<p>Dynamic Pilates: Incorporating the principles of traditional Pilates, this class intensifies the workout by integrating light to moderate weights, resistance bands, and dynamic movements.</p>
<p>Fit Fusion 55+: This class is designed for older adults as it consists of low impact movements with little to no bouncing. It's a blend of cardiovascular and muscular strength, finishing off with core work and full body stretch.</p>
<p>Interval Pump: This class alternates intervals of cardio and strength conditioning, with a heavier focus on weight bearing strength exercises, to give you a full body workout using a variety of equipment.</p>
<p>Interval Pump Strong: A high-intensity, full-body workout that alternates heart-pumping cardio with heavy, weight-bearing strength intervals. Using a variety of equipment, this class challenges endurance, builds strength, and pushes overall performance.</p>
<p>Pilates: Experience this mind-body movement focusing on the Pilates principles of centering, breath, concentration, control, precision and flow. Includes elements of standing as well as mat work.</p>
<p>Pilates for Strong Bones: This osteo-friendly Pilates class involves floor work and makes the use of chairs as well as standing work to help strengthen the core, improve balance and maintain bone density.</p>
<p>Pump It Up: This class focuses on weight bearing strength exercises that are challenging, safe, and functional. We incorporate the use of: dumbbells, bars, plates, and steps/benches.</p>
<p>Pump It Up Strong: This high-intensity strength class is built around heavy, weight-bearing lifts and demanding functional movements. Using dumbbells, barbells, plates, and steps/benches, this class is designed to push strength, power, and muscular endurance.</p>
<p>Step & Strengthen: This class fuses together the cardio benefits of a step class and the muscle building benefits of a strength training class. Get everything you need all in one high-energy, total body workout.</p>
<p>Stretch & Strengthen: This workout uses various types of equipment to focus on coordination, balance, and muscle strength, finishing with stretching and postural exercises.</p>
<p>Sunrise/Sunset Yoga & Meditation: This class offers a therapeutic introduction to yoga. Each session includes static and flowing postures, breathing techniques, sound, and guided meditation to promote relaxation and mindfulness.</p>
<p>Yoga 55+: A Hatha style class designed for those seeking to increase and maintain joint mobility while building strength and improving balance. Recommended for healthy older adults with no major joint or medical conditions.</p>
<p>Yoga - Core & Restore: This class uses a variety of equipment along with functional movement principles, to safely build reliable core unit strength as well as key core stretches to restore balance. A strong, responsive core is waiting for you!</p>
<p>Yoga - Gentle: Learn basic postures, stretches and breathing techniques to help you relax and de-stress. This class is appropriate for pregnant women.</p>
<p>Yoga - Hatha: This class uses static postures and breathing techniques to help you stretch, breathe, and relax while reducing stress, improving alignment, and increasing overall energy.</p>
<p>Yoga - Nidra: A deeply relaxing practice often referred to as "yogic sleep". Participants will experience guided meditation while lying down, promoting profound relaxation and mental clarity.</p>
<p>Yoga - Vinyasa: A dynamic, flowing form of yoga that smoothly links movement with breath. You'll be guided through a series of poses that build strength, flexibility, and mindful awareness through coordinated inhaling and exhaling.</p>
<p>Yoga - Yin: Yin is a relaxed, passive style of yoga that involves holding poses for longer durations and increasing your inner awareness while also stretching deeper connective tissues.</p>
<p>Zumba®: This inclusive dance party is a cardio-interval training program inspired by Latin rhythms. Low and high impact options demonstrated to introduce international dances such as cumbia, samba, salsa, cha-cha, soca, hip-hop and more.</p>
