

City Infrastructure Department

June 2, 2025

Start Date: June 2025

Completion Date: November 2025

The City of Pickering's Contractor, Esposito Bros. Construction Ltd. will be undertaking the replacement of Wilson Bridge (Tender No. T2025-2) located on Seventh Concession Road, west of North Road. This project includes removal and replacement of the existing bridge structure, road approach work and asphalt paving, installation of new guiderails, drainage improvements, and restoration to all areas affected by the construction.

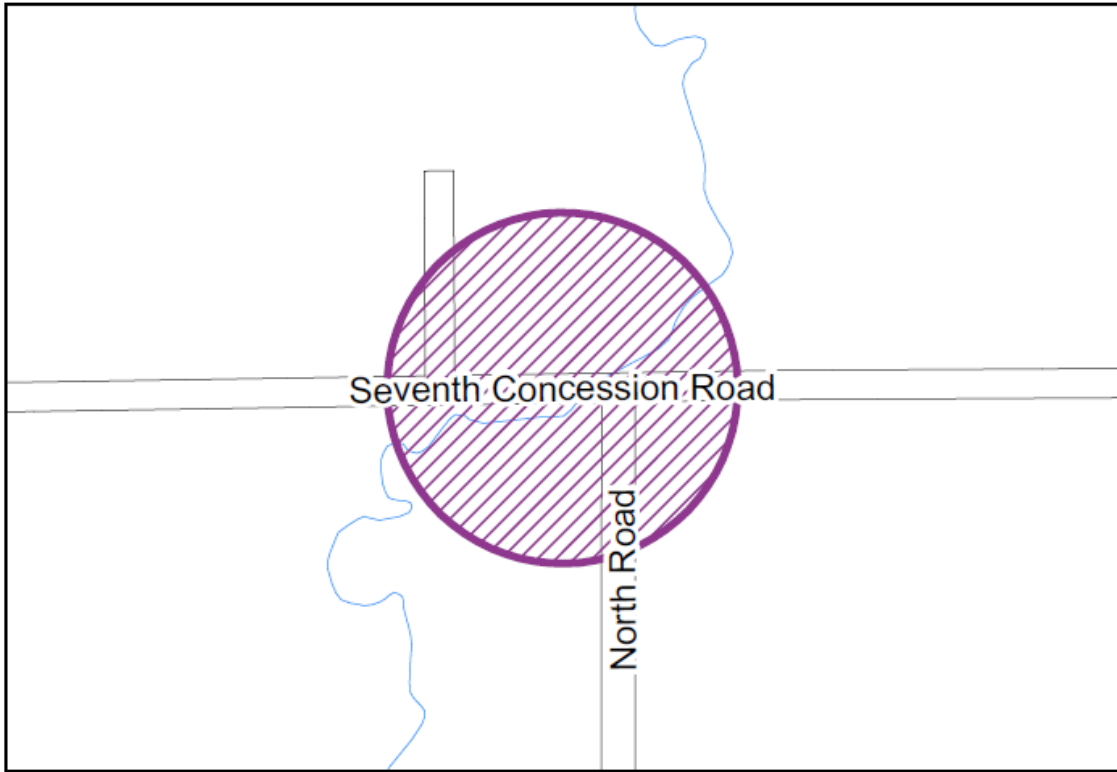

A full road closure will be required to complete the project. Seventh Concession Road, from Sideline 28 to Sideline 32, as well as North Road from Seventh Concession Road to Hwy. 7, will be closed for the duration of the construction period, with access permitted only for local residents. Appropriate detour routes and signage will be installed in advance of the construction to ensure safe and efficient traffic flow.

Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on Saturdays, only as required.

We look forward to working with you to complete this project in a professional and timely manner. Thank you in advance for your cooperation and patience. If you require any further information regarding this project, please contact:
