

Stay informed on City Centre Construction

Pickering's City Centre is entering a major phase of urban transformation that will unfold over several years. While revitalization efforts can bring temporary disruption, the construction team has indicated that every effort will be made to minimize impacts and ensure safety.

Essential Underground Servicing - Temporary Road & Sidewalk Closures

Closure Location:

- Pickering Parkway, from Glenanna Road to the City Centre Mall Entrance (210m west of Glenanna Road)
- West sidewalk on Glenanna Road - from the City Centre Mall Entrance, located 70m north of Pickering Parkway, to the Esplanade South

Duration: Monday, November 24, 2025 to Friday, April 10, 2026

Developer: CentreCourt Developments

Follow posted construction signage, detours, and safety notices when travelling in the area.

Condominium Towers (Block 1 Construction)

Pre-construction work is underway for two condominium towers at The Shops at Pickering City Centre (Pickering Parkway and Glenanna Road).

Impacts will be localized to the tower site and may include noise and dust. The City has granted a **temporary Noise Exemption under By-law 8048/23**.

Looking Ahead: A New City Centre

This transformation will help realize Pickering's long-standing vision for a vibrant, walkable downtown.

- ✓ A new City Centre Park with year-round features like winter skating, summer water play, and cultural programming
- ✓ Modern, thoughtfully designed condos with lifestyle-driven amenities
- ✓ A vibrant mix of premium retail, dining, and entertainment experiences
