Meet Your Camp Director

My name is Liam Moodley I am a dedicated Kinesiology and Health Science student at York University. With years of experience working at a variety of camps, I have developed a strong focus on sports and physical activity, helping participants of all ages improve their skills while fostering teamwork and sportsmanship. This Summer, I am excited to provide an engaging, fun-filled atmosphere that prioritizes building lasting friendships and ensuring an unforgettable experience for all participants.

Camper Pick-Up/Drop-Off Procedures

Sports Camp will be held at the Chestnut Hill Developments Recreational Complex, at the West Salon, from 9:00 am - 4:00 pm, Monday to Friday. For the safety of all campers, please drop off and pick up your child at West Salon. Be sure to check your child in and out with the designated Pick-up/Drop-off counsellor.

For safety reasons, any alternate pick-up person you designate will be required to show photo ID to camp staff before your child is released into their care. Please make sure they are aware of this protocol and that your child is picked up on time.

Absenteeism / Safe Arrivals

If you know in advance that your child will be absent or late, please email us at lmoodley@pickering.ca. If a camper is absent without prior notification, we will attempt to contact the parents.

What To Expect

Get ready for an action-packed week at our Sports Camp, where campers will stay active and have a blast! Perfect for kids who love sports and fun, this camp offers a variety of exciting activities, including basketball, floor hockey, soccer, swimming, and group games. Whether shooting hoops, scoring goals, splashing in the pool, or playing team games, campers will improve their skills, make new friends, and stay active in a fun, supportive environment.

What to Bring to Camp

- **Clothing:** Campers should wear comfortable clothes suitable for activities. Please do not send valuables, as campers are responsible for their own belongings. Remember to label all items (e.g., lunch bags, extra clothes, coats) to help prevent mix-ups. Indoor shoes (running shoes are recommended) are also required.
- Campers may be outside during the camp day so please pack appropriate clothing for outside play (hat, sunscreen).
- **Lunch and Snacks:** Campers must bring a nut-free lunch each day. Please pack lunch in non-breakable containers (no glass). Campers will have two snack breaks and lunchtime, so extra snacks are encouraged.

Allergy Notice:

Please be sensitive to any food allergies that may be brought to your attention (i.e. tree nut allergies that can be life threatening). For this reason, please do not pack tree nuts, tree nut products, or any products containing traces of nuts in your child's lunch for camp. If staff are unsure of snacks (i.e. granola bars), Campers will be asked not to eat them at camp. Fruit is always a healthy and allergy safe snack! Please feel free to send a copy of the ingredients of any items we may be unsure of (i.e. cookies). Your cooperation is greatly appreciated.

- **Water Bottle:** Please pack a reusable water bottle. There are water fill stations available at camp to keep your child hydrated throughout the day, as they may be outside.

Swimming

Campers will swim daily in the indoor pool at the CHDRC from 2:00 pm – 3:00 pm. Please ensure your child brings a towel and bathing suit in a separate bag. Campers

who choose not to swim may play games in the East and West Salons under counsellor supervision.

Pool Guidelines:

- **Turtle Pool:** Campers aged 7 and under have priority. If full, they will wear a lifejacket and swim in the shallow end of the large pool. A 2:1 counsellor-to-camper ratio applies to this group.
- **Older Campers (8 years – 12 years):** A 4:1 counsellor-to-camper ratio applies.

Deep End Swim Test:

Campers aged 8 - 9 may take a swim test to swim in the deep end without a life jacket. To pass, they must swim 10 meters and tread water for 30 seconds. If they do not pass the test, they will be required to wear a life jacket for the remainder of the week. Even if they pass, a counselor must accompany them in the deep end to maintain the **4:1 ratio**, so access to the deep end may be limited. No exceptions and the lifeguard's decision is final. We also must always adhere to a 4:1 ratio so therefore your child may not be able to swim in the deep end of the large pool at all times.

Swim to Survive:

Your children will get to participate in our Swim To Survive program which includes swimming 50 meters, treading water for one minute, and rolling into deep water, with or without lifejackets depending on age and ability. These activities are designed to build confidence and awareness, helping campers prepare for unexpected situations in the water. Camper will also learn essential water safety topics such as ice safety, sun safety and boat safety.
